

## **Corton Brownies**

We have welcomed a new Leader, Chloe, aka Tawny Owl, who came from a brownie unit that was closing in Oulton Broad.

Lots of activities, crafts and badges done. Visits from Evies Owls and a trip to Parlour Made in Beccles as well as pond dipping at Carlton Marshes were particularly popular and enjoyed by the girls.

Litter picking around the playing field, village and beach.

District events attended (a trip to Hautbois and Pleasurewood Hills where girl guiding took over the park for the day) as well as the obligatory Pantomime visit to Gorleston Pavilion before Christmas.

Currently we have 10 Brownies (max 12 for our unit). The girls mostly come from outside of the village so very few live in Corton.

We would just like to thank the Playing field Committee for their continued support.
