

## **Corton Ladies**

The Corton Ladies group meet the first Thursday of the month at the Corton Methodist Church Hall in the main street.

We enjoyed a varied programme last year and were pleased to welcome several new members.

We sadly said goodbye to a dear member who had been with us for many years.

2025/6 programme started in April which is our Birthday month and we always celebrate it in some way, cake is usually involved.

We have some interesting speakers booked for 2025/6 plus a shopping trip & lunch, Display and talk on miniature room-making, seated exercises and a talk on Hedgehog conservation.

We also enjoy going out to a Christmas lunch together each year. Last year a member put together a lovely hamper to raffle and we donated the proceeds to our local cancer charity at the JPH.

Corton Ladies is a friendly, welcoming group who always welcomes new members. Our membership costs are only £18 a year or £3.00 on the day and that includes refreshments. This covers our speakers, hall costs & heating and out goings.

Best Wishes

Corton Ladies Committee.
