

Corton Brownies

We have had a litter pick around the playingfield every term during this year and it is surprising the amount of rubbish that gets blown around. The Brownies love the litter pick and are very competitive.

The Summer Term brought more outside badge-work with a water fight and our usual sandcastle competition on Gorleston Beach, as well as a little trip to Carlton Marshes where 3 of the girls were enrolled.

The Autumn Term brought the Signing Choir to us so we learned a little British Sign Language and a lovely trip to Pets at home to cuddle the guinea pigs and learn about animal care.

We also completed The Christmas Challenge badge leading up to the festive season which ended with a Christmas party and a trip for some, to the Pantomime at the Gorleston Pavilion.

Finally, we have just finished the Spring Term of 2026 with more interest badges, a lovely trip to H & J chocolate factory where the girls learned about where chocolate comes from and made their own bars. We have painted toast and made pizza faces as well as Easter crafts.

We are a strong unit of 12 enthusiastic girls and parents to which I am very grateful for their support.

Thanks

Martha Canham - Snowy Owl, Leader in charge of 1st Corton Brownies
