

Corton Ladies 25/26

We enjoyed a nice year together and it was good to have new members join us. We now have 21 members.

This is some of what we did last year :-

We enjoyed a talk from The Louis Hamilton Centre about their work.

Went to Wrentham for a pub lunch and shopping at the Factory shop.

Watched a demonstration from Hilary who works in miniature which was a very interesting skill.

We heard all about 'Hedgehog Haven', a rescue charity in the town run by Mandy who dedicates all her spare time to the wellbeing of hedgehogs. This could be feeding babies through the night or caring for injured hedgehogs until well enough to be released. A local vet is on hand to give medical help and advice.

Armchair exercises with Sue Potter.

A 'What am I' quiz with Ann, and the Auction taken by Caroline.

Ending the year with a Christmas lunch.

In April we celebrate our Birthday and in 2025 Corton Ladies were 61 years old. We are proud to say we still have one founder member and another that joined a year later.

We also have another meeting for our members in the month called the Friends Group. Where we meet up for chat, cake & coffee or sometimes a light lunch.

Thank you to those who organise these events and to all our members who make it worth while.

The Committee.
