

TEXTILES GROUP

Our small group continues to thrive. Our fortnightly meetings give us the opportunity to see what progress, or not, has been made with all our varied projects. One of our members continues to make quite a number of knitted hedgehogs – many being very bright and sparkly – which she takes to a local hedgehog rescue charity' and they sell them for their funds. Another designed and stitched a very detailed calendar which showed every day over the past year, charting whether the day was sunny, or not, and the maximum temperature. Other members arrive wearing garments which they have knitted during our sessions. A very varied selection of projects which our group work on, whilst at the same time having a good natter and cuppa. We are always glad to welcome any new members to our group.
